[The Head of delegation]

Please send this form to the Chairman of the Committee at: AGRI-B4@ec.europa.eu.

¹ A Member State delegation may represent a maximum of one other Member State. The Member State that is being represented shall inform the chair of this before the meeting, or, at the latest, before the vote.

Experts may be private-sector experts (representing the civil society) or government experts (representing a public authority of a Member State).

Private-sector experts

will be entitled to a daily allowance for each day of the meeting and an accommodation allowance unless a contrary mention is stated in the letter of invitation or the request to organise the meeting. Reimbursements will be paid on a bank account in euros.

Government experts will receive allowances provided that provision for this is made in the rules of procedure of the committee or expert group. Reimbursements will be paid on a bank account in the name of the Member State, one of its ministries or a public body.

In order to receive benefits, you cannot receive a similar allowance from your own administration for the same visit.

You must provide supporting documents no later than 30 calendar days after the final day of the meeting.

Accommodation allowance

If you have to spend one or more nights at the place where the meeting is held because the times of meetings are incompatible with the times of flights or trains, you will also be entitled to an accommodation allowance. This allowance shall be 100 € per night. The number of nights may not exceed the number of meeting days + 1.

Daily allowance

The daily allowance is a flat rate. It covers all meals and local transport (bus, tram, metro, taxi, parking, motorway tolls, etc.), as well as travel and accident insurance. It amounts to 92 € per day of meeting.

If the distance between the place of departure mentioned in the invitation (it could be your private or professional address) is 100 km or less, the daily allowance will be reduced by 50%. You will then only receive 46 € per day of meeting.

Travel expenses

You will be entitled to the reimbursement of your travel expenses from the place specified in your invitation to the place of your meeting on presentation of supporting documents. Your travel must be organised on the basis of the most appropriate means of transport and economical rates. The services in charge of reimbursements will have the right to carry out checks. They will also have the right to restrict reimbursement to the rates normally applied to the usual journey from the expert place of work or residence to the meeting place.

As a general rule, means of transport are:

- first-class rail travel for journeys less than 400 km (one way);
- economy class air travel for distances of more than 400 km. If the journey by air involves a flight of 4 hours or more without stopovers, the cost of a business class ticket will be reimbursed.
- private car: The travel will be reimbursed at the same rate as the first-class rail ticket, or by default at the rate of 0.22 € per km. You are responsible for any accident you could cause.

Taxi fares will not be reimbursed.
