

**EXCALIBUR**  
**Exploiting the multifunctional potential of  
belowground biodiversity in horticultural farming**

**Invitation**

Dear Madam/Sir,

The EXCALIBUR team is glad to invite you to the Opening Project meeting, which will be held on

**October 28 2019**

**in Rome, Via della Navicella 2, 80124 – Rome (ITALY).**

The objective of the conference is to present the project concepts and its program and ambitions to the interested stakeholders.

Each stakeholder will be able to present its institution and the interest in the project. An interactive discussion with the audience is planned to allow all participants contributing to the project implementation.

For further information contact Dr Stefano Mocali /project coordinator/ ([Stefano.mocali@crea.gov.it](mailto:Stefano.mocali@crea.gov.it)) or Dr Loredana Canfora ([loredana.canfora@crea.gov.it](mailto:loredana.canfora@crea.gov.it)).
